RANGs: *Bill Georgina*

We had 36 rang participants this year, the same number as last year. We had 31 rang days this year up from 28 days a year ago. 719 Rang games were played this year (about 12,750 holes accounting for people part days), up from 610 games a year ago. 224 rangs were won, an increase from 180 rangs a year ago.

RANG games cost \$ 2.00 per game, and although we need your money up front to ensure you are in the RANG game before play, you only get charged the \$ 2.00 for each game you actually play. If you can't make it for some reason, then your money simply rolls over for a future game.

Since most golfers do miss some games the amount of money owing at any time can get confusing. The number of Rang games each person has played is the major determinant of cost.

The final Rang payouts are adjusted to include refunds for any overpayments, as well as recovering any amounts still due.

JEFF KAY was crowned as the 2024 RANG KING, with 22 Rangs.

This is the fourth year Jeff has won the Rang King award.

50/50:

The 50/50 draw was run monthly this year with two winners each month winning larger payouts ranging from 90.00 to 115.00. In the 5 months, we raised 2,172.00 and paid out \$ 1,086.00 to the 10 winners

JUNE	-Lauraina Nicol and Pat Ward=100.00 each
